ABOUT NAPHSIS

The National Association for Public Health Statistics and Information Systems (NAPHSIS) is the national association of state and territorial vital records and public health statistics offices which is based in the Washington, DC area. NAPHSIS provides national leadership in advocating, creating, and maintaining comprehensive, high quality public health information systems that integrate vital records registration, public health statistics, and other health information. For more about NAPHSIS and the benefits of membership, please visit our website at www.naphsis.org.

ABOUT VSCP

The Vital Statistics Cooperative Program (VSCP) is a cooperative national program. Vital statistics data sent by the vital records jurisdictions to the National Center for Health Statistics (NCHS), a center within the Centers for Disease Control and Prevention (CDC), are compiled to produce national vital statistics. The VSCP distributes federal funds from NCHS to jurisdiction vital records offices in return for their assistance in collecting, cleaning and reporting these data.

TUESDAY, JUNE 4TH 6:00 - 9:00 PM

Attendees are invited to join us at the Columbus **Center of Science and Industry** (COSI) for our group outing on Tuesday evening, June 4th from 6-9 pm. This event is made possible thanks to the generosity of NAPHSIS Platinum Partners **Ancestry.com** and **LexisNexis VitalChek**. COSI is a nationally esteemed science center that inspires interest in science, technology, engineering, and math through experiential learning and “hands-on fun”. And to make absolutely sure everyone has a good time, we’ve invited our friends the MoveMakers showband from Pittsburgh to join us once again! Heavy hors d’oeuvres and a full bar will be provided.

333 W Broad St, Columbus, OH 43215

DIRECTIONS

NAPHSIS Buses offering transportation will be making trips from the Hyatt Regency Columbus to COSI and back from 5:30pm until the Outing ends! Those interested in getting a bus ride to the event should meet in the lobby of the Hyatt Regency Columbus. For those who wish to walk, COSI is located approximately one mile from the Hyatt Regency Columbus. Starting from the hotel, walk south on High Street for a half mile and then turn left on West Broad Street. Walk across the bridge over the Scioto River and then turn left onto Washington Blvd. Look for signs for COSI, located within the building complex facing the river. One complimentary ticket for the Outing is included with your registration package. See the NAPHSIS registration desk to purchase additional guest tickets. Enjoy!

UPCOMING NAPHSIS EVENTS

Mark your calendars now for all of our upcoming conferences and trainings!

2019 NAPHSIS IDENTITY & SECURITY CONFERENCE

NOVEMBER 4TH AND 5TH • WASHINGTON, DC

Building off the success of the first Identity & Security Conference last year, the 2019 conference will continue our national conversation on the intersection of identity and security, as they relate to vital records. The conference will offer learning, networking, and training opportunities on personal identity and document security issues.

FIELD SERVICES AND DATA QUALITY WORKSHOP

AUGUST 13TH THROUGH 15TH • DENVER, CO

This new training from NAPHSIS and NCHS is intended for vital records field services and data quality personnel. The course will cover best practices for data quality reports, engaging birth/death data providers, and using technology to educate providers. Vital records staff working on these areas should strongly consider attending!

SYSTEMS & INTEROPERABILITY WORKSHOP (EAST & WEST)

FALL DATES TBD • BALTIMORE, MD / PHOENIX, AZ

New for this year, these conferences will address topics related to vital records systems, interoperability with vital records systems, and data sharing policies. Audiences will include vital records staff, data users, system vendors, and other data partners. Sessions will include system demos, knowledge sharing, and the latest in information technology.

2020 NAPHSIS ANNUAL MEETING

JUNE 1ST THROUGH 4TH • OMAHA, NE

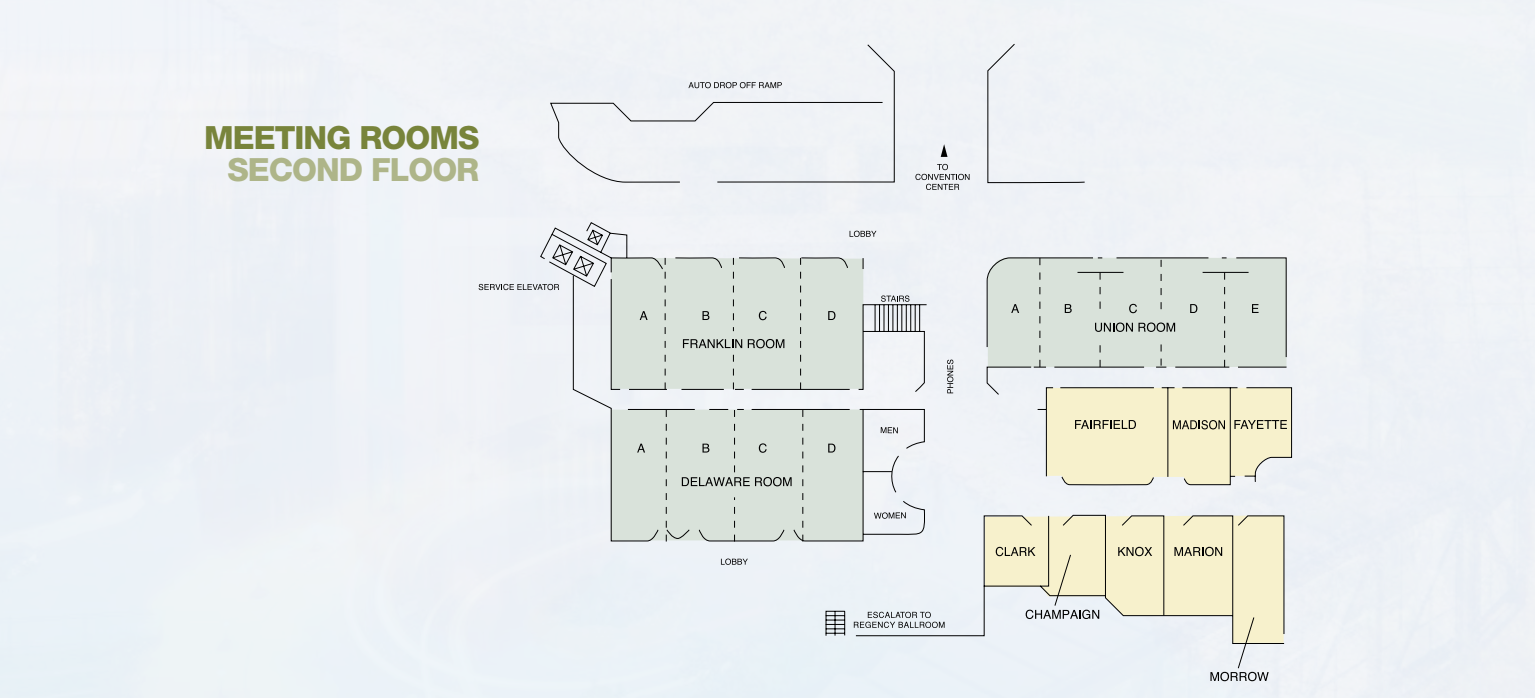

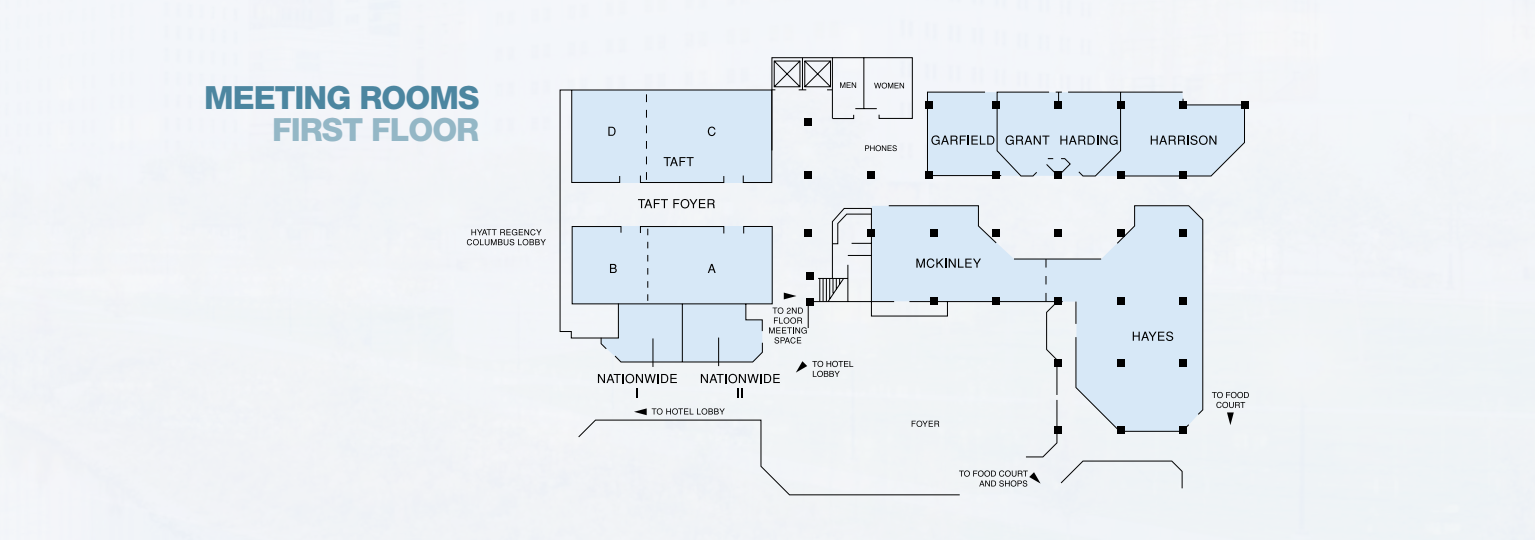

The NAPHSIS annual meeting is the only educational and networking event that brings together professionals in vital records, personal identity, and public health statistics from each state and territory in the nation. Each year's meeting offers essential trainings and learning sessions on the topics important to those working in our area of public health and personal identity protection.

Watch for more information in the coming months!
