- **Jeff Duncan,** Michigan Department of Health and Human Services

12:30pm - 1:30pm

LUNCH – on your own

1:30pm - 3:00pm	Concurrent Sessions

Future of Data Management — Salon Ballroom
As technology advances, the way we store, secure and access information is changing. Hear from an international organization who moved Estonia into a new age of digital government services, including birth registry. Find out what other countries are doing through their work with Axiell. Learn more about the APHL Informatics Messaging Services (AIMS) platform and its role in securely moving a variety of data, including vital records data via STEVE.

Speakers:
- **Kevin Tammearu,** Cybernetica
- **Andrew Taylor,** Ruvos/AIMS
- **Jeff Greenland,** Axiell

HIPAA & Vital Records — Junior Ballroom
Get an overview of HIPAA and its potential impact on vital records, as well as, jurisdiction specific perspectives on HIPAA.

Speakers:
- **Shae Sutton,** Moderator, NAPHSIS
- **Kristen Bertch,** Whiteford | Taylor | Preston (WTP)
- **Lou Saadi,** Kansas Department of Health & Environment
- **Dylan Bryant,** Missouri Department of Health & Senior Services
- **Heidi Lengdorfer,** Alaska Department of Health & Social Services

3:00pm - 3:30pm

Break sponsored by LexisNexis Vital Check

3:30pm - 4:30pm — Salon Ballroom

Preparing for Systems Upgrades
Learn about planning for future iterations and lessons learned.

Speakers:
- **Diane Borhani,** QuantumMark
- **Petra Borhani-Bakker,** QuantumMark

4:30pm - 5:00pm — Salon Ballroom

Working with Electronic Health Records
See a live demo of how a vital records registration system gets data from the hospital and what that means to the vital records staff.
- **Joe Lopez,** ManTech
- **Rob Ferguson,** ManTech

TUESDAY, DECEMBER 10

8:30am - 9:30am — Salon Ballroom

Future of STEVE
After a successful HL7 FHIR Connectathon, see a demonstration of the prototyped API work on STEVE as we share potential future enhancements. Learn about the HL7 FHIR Standards, an overview of a jurisdiction's data use agreement processing procedure, as well as details on setting up STEVE configurations.

Speakers:
- **Caprice Edwards,** NAPHSIS
- **Geo Miller,** Ruvos
- **Kate Brett,** National Center for Health Statistics, CDC

9:30am - 11:00am — Salon Ballroom

Roundtable Discussions
Self-select small group tables for networking opportunities. Table topics will include but not be limited to: data sharing policies, next generation systems, STEVE, EVVE, OVS, FHIR.

11:00am - 11:15am

Break sponsored by Axiell

11:15am - 12:00pm — Salon Ballroom

Power of Vital Records
How can NAPHSIS embrace technology to expand the power and utility of vital records? What opportunities lie ahead for the Association and its systems?

Speakers:
- **Shawna Webster,** NAPHSIS
- **Caprice Edwards,** NAPHSIS
- **Jeff Duncan,** Michigan Department of Health and Human Services

12:00pm - 1:30pm

Meeting Adjourned/LUNCH – on your own

1:30pm - 5:30pm — Salon and Junior Ballroom

Regional Meeting
Vital Records and Health Statistics Office
Attendees Only
