What IS Identity? A Philosophical Discussion of What Makes Us Who We Are

The deeper meaning of identity goes beyond our names and dates of birth, so what actually makes up our identities in the legal documents we possess? How do we plan for a future of identity management when the pieces that make us “us” might change? These concepts will be explored in depth in this plenary, and it will leave you with key questions to consider as you attend sessions throughout the conference.

- **Shawna Webster**, Moderator, Executive Director, NAPHSIS
- **Niall McCann**, Policy Advisor/Project Manager, Legal Identity, Bureau for Policy and Programme Support, United Nations Development Program
- **John Boyd**, Assistant Director, Office of Biometric Identity Management (OBIM), U.S. Department of Homeland Security (DHS)

10:00am - 10:30am

Blue Prefunction

Break

10:30am - 12:00pm

Concurrent Sessions

Real ID Implementation - How's It Going? **Calvert**

During this breakout you will learn key updates from Idemia, DMV and TSA on the current rollout of Real ID, the lessons learned, and important tips and tricks to know for the impact it will have on your daily life.

- **Anthony Stout**, Moderator, NAPHSIS
- **Steve Yonkers**, Director of Biometrics/Credentialing and REAL ID Program, U.S. Department of Homeland Security
- **Chrissy Nizer**, Administrator, Maryland Department of Motor Vehicle Administration
- **Ted Soble**, Director Risk & Resilience Policy, U.S. Department of Homeland Security

Going Digital - DMV, Passport and More **Hampton**

(Mobile ID demo)

If everything in our life is going more and more digital, shouldn't our ID documents be digital also? Come and learn real steps agencies like Passport and DMV are doing to make digital identity documents available.

- **Caprice Edwards**, Moderator, NAPHSIS
- **Drew Haldane**, Analyst, Adjudication Oversight, U.S. Department of State
- **Tracy Hulver**, Senior Director, Digital Identity, Idemia
- **Shailee Adinolfi**, Director, Government Solutions, ConsenSys
- **Jacob Blish**, Head of Operations, Co-Lead, Alpine, ConsenSys
- **Scott Vien**, Director of Business Development, GET Group (Global Enterprise Technologies Corporation)

Impact of Vital Records Restrictions **Governor's** on Federal Agencies and Partners

Learn how restrictions on vital records impact federal agencies and partners – information on who can access vital records, the struggle between privacy and transparency related to vital records, as well as, use of expiration dates or other methods to improve security of vital records.

- **Shae Sutton**, Moderator, NAPHSIS
- **Devin George**, State Registrar and Bureau Director, Louisiana Department of Health, Vital Records
- **Melissa Bird**, Bureau Chief of Health Statistics, Iowa Department of Public Health
